## WEEKEND CAMPING

WINTER SPRING FALL

*"A year full of adventure just waiting for your Scouts"*

Year-round opportunities for adventure abound at the three camping properties of the Greater New York Councils. Keep your unit's program thriving with outstanding outdoor programs at:

### TEN MILE RIVER SCOUT CAMPS

#### WILLIAM H. POUCH SCOUT CAMP

#### ALPINE SCOUT CAMP

Each of these great facilities offers unique outdoor experiences and excellent customer service. For the experienced units we have plenty of great tent and lean-to sites available for your outing. If this is your unit's first trip and you're looking for a little more comfort, reserve one of our cabins with heat and electricity. Plan your own program or join an organized event like District Camporees and Klondikes, Cub Activity Day, Cub Scout Fishing Derby, and Snorkeling Adventure. The Climbing Center at Alpine is open year-round, the Alpine swimming pool is open on Saturdays in June (weather permitting) and many special activities are scheduled throughout the year – visit the websites listed below for the latest information on upcoming events.
