## Program Schedule

---

**Be Advised:** All merit badge sessions are scheduled to end at a quarter to the hour. However, Scouts who need to complete the field work required for some badges may be dismissed from certain sessions early, but only when accompanied by a buddy. Reasons for early dismissal might be to purchase materials from the Trading Post, perform observations for Ecology badges or collect samples. Also, extended sessions are required for some merit badges. Please check with area directors if you have any concerns. *If merit badge sessions should fill up, additional sessions may be added depending on merit badge counselor availability to ensure a Scout is not locked out of a badge.* **It is highly encouraged that Scouts have the merit badge pamphlet to help ensure successful completion of all merit badge requirements.**
