Genealogy Merit Badge Pro Series – April 23, 2019 Prerequisites

Scouts can bring their own laptops, and the NYG&B will provide several computers with access to certain genealogy databases.

All prerequisites must be completed prior to event and Scouts are responsible for bringing their own Merit Badge Blue Card.

- Scouts will need to come prepared with the following details (to fulfill Requirement 7):
 - Information (names, birth dates and places) related to their parents and siblings.
 - Information (names, birth dates and places, and marriage dates and places) related to one of their parents and that parent's siblings
- Scouts will need to complete the third requirement before they arrive.
 - We suggest they spend some time talking to your family and gather information regarding your parents, grandparents, and great-grandparents if possible.
 - Details should include full names, birth dates and places, marriage dates and places, and death dates and places (if applicable).
 - Bring this information with you to the workshop to complete requirement 3 and other requirements.
